ASK: **Father**, reveal yourself to me through Jesus, that I may know you.

**Jesus**, meet me here, and deepen our relationship.

**Holy Spirit**, speak into my mind/heart/life through this passage.

Draw me into the heart of Jesus. Transform me into his image.

LISTEN: **Read** passage several times. Try reading it in different translations.

**Visualize** the scene. Imagine the details. Put yourself into the story.

**Ask** Jesus if he has a specific application for your life today.

**Journal** your thoughts, trusting they are God's thoughts given to you.

PRAY: **Thank** Father, Jesus and Holy Spirit for doing what you asked above.

**Thank** them specifically where you can sense what they did.

**Thank** them "by faith" for doing exactly what you needed, even if you can't discern what they did, trusting their faithfulness.

**Commit** yourself to walk/journey in their WORD all through the day.

LIVE: **Do not judge** the quality of your time with Jesus by your feelings.

**Go** into your day trusting God has given you exactly what you needed.

**Trust** that the Holy Spirit will be leading you all day, just as you asked.
